THE SHOW

Black Diamond Zeppelin is a six-piece Pacific Northwest concert experience celebrating the music of Led Zeppelin.

Rather than relying on costumes or impersonation, the show puts the focus on the music. Powerful lead vocals, guitar, keyboards, bass and drums are joined by violin, adding another color and texture to the arrangements while preserving the power and dynamics at the heart of the Zeppelin catalog.

The 90-minute concert moves from hard-driving rock and blues to acoustic passages, atmospheric material and epic arrangements. The repertoire spans Led Zeppelin's recording career from 1969 through 1979, combining instantly recognizable classics, fan favorites and deeper cuts.

NO WIGS. NO IMPERSONATION. THE MUSIC IS THE SHOW.
